Requirements of Faith

[Acts 15:1-2](#)

[Acts 10:34-36](#)

[Acts 15:7-11](#)

Faith in Jesus frees us from the things that trap us.

A Different Gospel

[Galatians 1:1-5](#)

[Galatians 1:6](#)

How do you think those who initially read this letter felt?

They either disagreed with Paul, or they were convicted by what he said.

When we attach things to the Gospel, it stops being the Gospel.

Your faith will be limited when the Gospel of Jesus becomes supplementary.

Another Gospel

[Galatians 1:6-9](#)

The weight of Paul's words shows us how serious he is about the situation

We follow what holds our attention.

As followers of Jesus, we can only follow him when we are focused on him.

Approval of God

[Galatians 1:10](#)

You can't make everyone happy.

Our priority can never be what others think about how we follow Jesus.

Jesus brings us a freedom that no other person ever could.
